Profile

Tech leader and AI strategist with 20 years building, shipping and leading. I migrate platforms without breaking revenue, scale teams across continents, and help businesses turn AI from hype into outcomes.

Experience

Founder & AI Consultant

Aplica Ltd

Nov 2024 – Present

- Founded an AI consultancy helping businesses cut through hype and ship solutions that drive results.
- Advising on practical AI adoption, product strategy and AI-powered operational tools.
- Conference speaker on AI agents, robotics and implementation strategy.

Product Manager — AI Team (Ally Agent)

Ringier South Africa

Jun 2024 – Oct 2024

- Pitched Ally Agent to C-suite and secured executive green light to advance to next stage.
- Validated demand via user interviews and early sign-ups across Romania, Kenya and Slovakia.

Product Manager — Property Marketplace

Ringier South Africa

Jul 2019 – Oct 2024

- Led 2 major platform migrations across 4 markets with zero revenue disruption.
- Scaled cross-functional team from 7 to 17 while delivering an ambitious roadmap.
- Partnered directly with CEOs across Mauritius, Kenya, Zimbabwe and Romania.

Senior Software Developer

Ringier South Africa

Feb 2017 – Jun 2019

- Architected end-to-end property listing flow deployed across 5 African countries.
- Built a dynamic form builder that lifted landing page conversion across markets.

Managing Director

Aplica Ltd

Mar 2015 – Jan 2017

- Built and maintained housing allocation systems for University of Copenhagen and DTU.

Project Manager

Expand Technology

Feb 2013 – Feb 2015

- Led a team of 7 to deliver a smartcard payment solution; owned core business logic.

Education

Master of International Business

Curtin University, Australia
2014 – 2016

MSc Computational Science & Engineering

University of Technology, Mauritius
2005 – 2007

Bachelor of Information Technology

University of Canberra, Australia
2002 – 2005

Selected Impact

- 2 platform migrations across 4 markets — zero revenue disruption.
- Ally Agent: pitched to C-suite, approved for next stage.
- Scaled team from 7 to 17 across continents.
- Founded Aplica — practical AI for real businesses.
- Speaker on AI agents, robotics & implementation.

References

Christian Drejøe

CEO, Augrin Software ApS

"I've known Nisha for more than 10 years as a dedicated and skillful provider of IT solutions. Always appreciated by our customers, easy to work with, not afraid to go the extra mile."

Erica Frederiksen

International Housing Consultant, Boligfonden DTU

"Nisha is highly professional and capable. Excellent technical skills, but it's especially fortunate when one finds an IT partner that can also communicate with users on a user level."
